## ***Secondary Education***

(Middle and High School: Grades 4–8 and 7–12)

The secondary education curriculum is rich in the practical experience and theory that are needed for teaching preadolescents and adolescents. Courses address the unique developmental needs of these students, as well as effective teaching strategies. Each course provides classroom and field experiences to prepare prospective teachers to become effective teachers and lifelong learners.

**Requirements.** Candidates should contact the Department of Teaching and Learning advisers to determine the field(s) that their undergraduate coursework prepares them to teach. To be highly qualified to teach in Texas, students must pass

ogy, diagnostics, and counseling, a wide variety of other educational and professional fields may be appropriate backgrounds for the profession.
