

Steve Curts

Steve has 31 years of industry experience primarily in Technology Services. He joined Perot Systems in its first year and over 20 years held multiple senior Financial as well as Operational roles as the company grew to \$2.9B in annual revenue prior to being acquired by Dell, Inc. in 2009. During his 4 years with Dell he focused on Strategy, M&A, Global Delivery and Operational Improvements for Dell Services which had revenues of over \$8.0B annually. He is currently consulting with Private Equity firms.

Prior to the acquisition by Dell, Steve was leading the Perot Systems Commercial Solutions Group. He was responsible for strategy, management, operations, and business development activities for operating units providing technology services to clients primarily in the manufacturing, consumer, and engineering and construction industries. During this time, he led the expansion of the unit within Europe and to China, increased the efficiency of its market-facing activities, and strengthened operating performance.

Steve also served as vice president of finance for Perot Systems, where he led several functions, including global financial operations, treasury, business development, corporate planning and contract performance optimization.

Prior to joining Perot Systems, he served as chief financial officer of Hallmark Savings Group, Inc., controller for American Banc Savings Association and acquisition purchase accounting specialist for MCORP.

He received his BBA in accounting from Southern Methodist University in 1982. He currently serves on the Board of the Mustang Club.
