
North Texas Chapter American Statistical Association

September 2024

Upcoming events:

- Our chapter will host a traveling short course titled **Data Visualization with R**, taught by Dr. Aaron Williams, a Senior Data Scientist at the Urban Institute and an Adjunct Professor in the McCourt School of Public Policy at Georgetown University. The course will be held in person at UT Dallas on Friday, October 18, 2024, at the Erik Jonsson Academic Center (JO), Room 3.516. Early registration is open until October 7, 2024, with detailed information on our chapter website <https://www.amstat.org/events/shortcourses>.
Online registration <https://shorturl.at/Mp5sX>.
In-person registration is available. Please contact our officers to arrange drop-off for checks and cash at their institute.
- SMU, UT Dallas, and UT Arlington will each host a seminar series on Fridays throughout Fall 2024. Details can be found on our chapter website at <https://www.amstat.org/events/seminars>
- The next **ASANorth Texas Chapter Colloquium and Chapter Meeting** are scheduled in mid-November. Join us for refreshments will be served during the social hour before the talk. More details about the talk will be shared soon.
