

Current CV- February 2013:

CURRICULUM VITAE
JOSEPH JUDE NORTON

Summary Statement: Professor Joseph J. Norton is considered a leading expert in domestic and international banking and financial law, in domestic and international business law, and in international economic development law matters. From 1993-2005, he served as the Sir John Lubbock Professorship in Banking Law at the University of London; from 1988-1993 he was the Cameron Distinguished Visiting Professorial Fellow in International Banking Law at London. While at London, Professor Norton, through the postgraduate Centre for Commercial Law Studies, headed up the International Financial Law Unit at the Centre, oversaw London's LLM and PhD programs in international banking and finance and was responsible for the intercollegiate LLM courses on Legal Aspects of International Finance, Banking Law and Regulation, Emerging Market Law: Finance and Development and International Economic Law. This University of London's postgraduate Centre is an RAE 5* rated (highest UK academic institution). Currently, he is the James L Walsh Distinguished Faculty Fellow and Professor of Financial Law, Dedman School of Law at SMU, Dallas, Texas), where he has been a full-Professor since 1981 and an Adjunct Professor from 1973, and where he regularly teaches courses on international banking and finance, international business transaction, business enterprise, international economic development law and global financial markets, and periodically teaches commercial law courses such as negotiable instruments. In the Spring 2005, he served as the Nomura Distinguished Professor of Financial Systems at the Harvard Law School, teaching international financial law and regulation; and in 1999-2001, he held the Vice Chancellor's Distinguished University Professor of Law at the University of Hong Kong, where he helped established the Asian Institute of International Financial Law (of which he remains Chair of the Academic Advisory Board) and where he taught international financial law and regulation and international business law subjects. In 2005, he was appointed a University Visiting Professor at the Universities of Peking and the Shanghai University of Financial and Economics. He is a Visiting Professorial Fellow at the Centre for Commercial Law Studies, London. He also has served as a Visiting Professorial Fellow at the Mandela Institute (Wits University, Johannesburg), Professorial Fellow in Financial Law and Institutions at the Institute of Advanced Legal Studies (London); and, he has held a University Chaired Visiting Professorship at the Banking Center at the Faculty of Law, Johannesburg University (RAU).
