

iPad Remote Desktop Setup (Using Pocketcloud Remote Desktop)

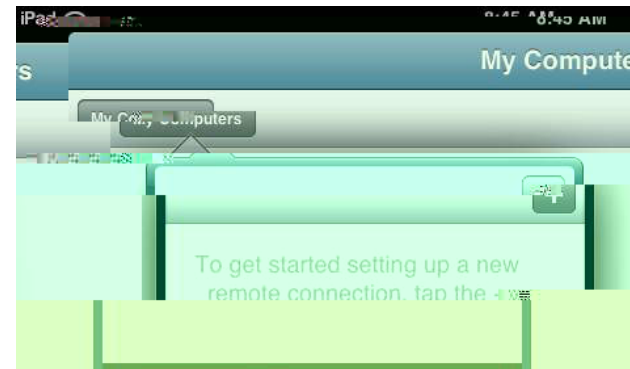

1. Go to the App Store on the iPad.
2. Search for Pocketcloud Remote Desktop

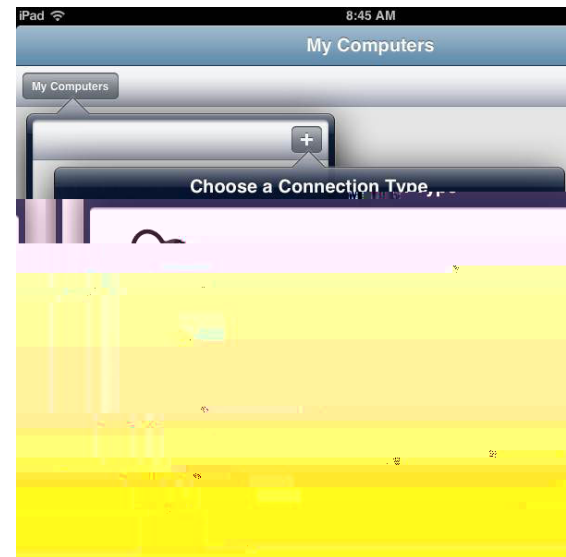

3. Tap Install next to the PocketCloud Remote Desktop.
(Which is free, unlike the Pro version)
4. Once the Pocketcloud app is downloaded, locate it on your iPad and tap to launch setup.
5. Tap "Advanced users" from the available options.

6. Tap the My Computers button, then tap the + button.

7. Tap the Manual Connection option.
