

Outdoor Leader Training (OLT) Outline

General Learning Outcomes

- x Critical Thinking
- x Creativity
- x Collaboration
- x Communication
- x Global Responsibility

The program SLOs

- x Students will effectively teach diverse learners in front & backcountry settings.
- x Students will finish OLT with a commitment to enhancing diversity, equity, and inclusion in the field of outdoor recreation & education.
- x Students will facilitate successful group experiences & foster leadership in others.
- x Students will articulate how outdoor education & leadership skills transfer to other disciplines.
- x Students will integrate natural science, cultural history, land management, literature, and environmental studies into curriculum. Students will serve the community through visiting a local indoor rock climbing facility and helping teach skills and develop climbing ability to youth climbers for a period of not less than four hours. A two-to-three-page reflection based on this experience is required.
- x Students will serve the local conservation area through collecting and packing out trash they find in the activity area during a half day of community service.

Student Learning Outcomes

At the end of this Training, students will be able to do the following:

- x Learn all aspects of trip planning and implementation including rations, equipment needs, route planning, and emergency
- x Develop effective outdoor teaching and presentation techniques. Students will use appropriate vocal and visual cues to deliver a presentation to a specific or targeted audience.
- x Students will select, organize and use appropriate evidence or information to suit a specific or targeted audience
